Challenge Quilt Entry Information for TRQG 2022 Show
This category for the Quilt Show is open to TRQG members only.

First, complete the full TRQG show entry form. This will include the name of your quilt and the 25-word description that will be displayed alongside your quilt. You can describe in this section what your quilt memory is about, the colors you used, the embellishments...whatever you want to highlight. No other information will be displayed to the public.

Second, make sure your challenge quilt meets the standard entry requirements, including hanging sleeve, etc.

Third, bring this form, filled out, and turn it in with your Challenge Quilt on Monday, Oct. 17. We will use it to make sure it meets the specific challenge quilt requirements prior to judging.
