

## Port pillows

Cut 2= 3.5 x5.5-inch rectangles

Cut 4= 3.5 x1.5-inch second

1inch square Velcro

Take your 3 1/2 by 1 1/2-inch <sup>rectangle</sup> triangles right size together so around them leaving one end open do this to two sets of 3 1/2 inches turn right out. Sew 1 inch square of your Velcro to one end of each of these. Now take 1 of your 3 1/2 by 5 1/2 inch triangles lay it right side up and put your 3 1/2 by 1 1/2 inch pieces of fabric with Velcro attached on top of the 5 1/2 by 3 1/2 make sure your Velcro pieces are connected to each other lay them across the center point of your 3 1/2 by 5 1/2 and take another 3 1/2 by 5 1/2 lay it face down and sew around three sides leaving one end open so you can stuff it. Stuff it with fiberfill then so it closes. You now have a completed port below.
